

B-BBEE RATING PER BUSINESS UNIT 2025

Reunert Limited is committed to transformation and empowerment as a responsible South African company. Transformation is one of our strategic pillars, driving us to become more inclusive and representative. Reunert's Broad-Based Black Economic Empowerment (B-BBEE) credentials are also important in securing contracts in South Africa.

This fact sheet provides B-BBEE information about Reunert's material South African subsidiaries. It is a supplementary report to Reunert's 2025 Integrated Report, available online at <https://reunert.co.za/reporting-and-results.php>.

Reunert applies the Generic Code and achieved a level 3 rating valid until 11 December 2026. Most business units maintained or improved their B-BBEE levels.
